

SPRING SIGNATURE COCKTAILS

Life Is Beautiful - \$16

Buon giorno, principessa! Drink in this Italian love story and feel the romance. Aperol, St. Germain, and fresh-squeezed grapefruit, poured into a wine glass over a round of fresh grapefruit, and topped with a float of bubbly Cava. La vita è bellissima!

Crouching Tiger, Hidden Mule - \$15

It's our Sprintime Mule, made with Japanese citrus and Italian floral flair! Vodka, Sidetrack Yuzu citrus liqueur, Italicus Rosolio di Bergamotto, house-made lavender simple syrup, fresh-squeezed lemon juice, and ginger beer. Served on the rocks in a mule mug with citrus and candied ginger garnish.

The Shameless Fizz - \$16

The South Side is a cocktail that originated on the mean streets of Chicago. Word is, it was Al Capone's favorite! We've gone and made it into a fizz, with lemon gin, blood orange liqueur, fresh-squeezed orange and lemon juice, rosemary simple syrup, and egg white for a silky finish. Served in a Collins glass with a splash of soda and a lemon & rosemary garnish.

May, Gin, July - \$15

Spring flowers in a glass! This beauty is comprised of Aria gin, L'esprit de June floral liqueur, Lillet Rosé, passion fruit syrup, fresh-squeezed lime juice, and thyme-infused green tea. Served with a splash of soda water and a sprig of fresh thyme.

To Me, You Are Perfect - \$16

Beauty, grace, and booze, this pretty lady is perfection! Condesa Orange Blossom Gin, Coconut Liqueur, Cointreau, fresh-squeezed lemon and grapefruit juice, simple syrup, and a dash of orange bitters. It's served in a rocks glass over an oversized lemonade ice cube and topped with a float of Butterfly Pea Blossom Tea. Give it a stir...tastes like sherbet!

The Devil's Advocate - \$16

I believe it was Al Pacino who said to Keanu Reeves: "Tequila - my favorite sin!" This spin on a margarita is Reposado Tequila, Cointreau, Cilantro Liqueur, a house-made cumin & coriander simple syrup, and fresh-squeezed lemon and lime juice, mixed with muddled lime, orange, and cilantro, then shaken and served in a tulip glass with a float of Malbec and a cilantro garnish.

Bangkok Has You Now - \$15

Go someplace exotic. Mess around. Get wild. See what happens! Might be dangerous, will definitely be delicious. White rum, Orange Curaçao, tamarind simple syrup, fresh-squeezed lemon juice, and tarragon bitters. Muddled with fresh tarragon and orange, then strained into a Collins glass. Garnished with an orange wedge and fresh tarragon sprig.

Make It So - \$15

This Old Fashioned is worthy of Captain Jean-Luc Picard of the Starship Enterprise, who would always demand "Tea, Earl Grey. Hot." In this case, we're boozing up his tea and serving it cold, with Earl Grey-infused Bourbon, house-made lavender simple syrup, Vanilla Liqueur, and a dash of orange bitters. Served in a rocks glass over an oversized ice cube. Make it so.

Banana in the Tailpipe - \$16

We ain't fallin' for no banana in the tailpipe, man! But we will drink one. Michters Bourbon, Chocolate Campari, Banana Liqueur, Fino Sherry, Sweet Vermouth, and chocolate bitters. Served neat in a coupe, garnished with a chocolate-dipped banana chip.
